## TYPE OF INCIDENT

unable to provide data

## DESCRIPTION OF INCIDENT

LuAnn Bailey left voicemail pertaining to our visit to her county yesterday. Her responses:

1. We could come at 2:00pm to see poll book only if they redacted BD
2. We are unable to see absentee apps/envelopes b/c this doesn't fall under NVRA law. It cannot be reviewed by anyone other than campaign affiliated volunteers ~~and~~ or candidate b/c they are considered part of the 'ballot box'. We may submit written request and the AG's lawyers will review. Mike Rawley did so at 1:34 pm. thru TurboScan att: LuAnn Bailey - see attachment.
3. Electronic data on RID run-off voters has not been 'processed' yet so they cannot provide yet. Absentee names for both elections is available, she can provide along w/ Primary voters both RID. This will cost \$150. The primary voter list will be report generated by SEMS. The absentee list will be manual done by her. Can only be in PDF format.

## REMEDY OR ACTION TAKEN

Sent email to LuAnn confirming I will take the reports on 7/8/14 @ 1:35 pm by me + copied Vicki Pullen. We are delivering \$150 money order.

Note: This info was given to LuAnn by SOS's office. And Phil Carter in AG office

Lastly: Poll Book, she could show us it w/ redacted BD only b/c it is not covered under NVRA

I certify and affirm that the above information is true and correct.

## TYPE OF INCIDENT

Request for Voter Data to review election materials  
(Absentee ballots, fill books) from primary & runoff

## DESCRIPTION OF INCIDENT

Spoke to woman at circuit clerk's office. She said Robert Coleman, Circuit Clerk, was out all week for state training meeting. Coleman is person who can make final decisions. We can request data when Coleman returns. Request must be made in writing. Data can be put on 2 hard drives, due to size. Must pay for county employee time to redact. For hard copy, cost is \$1 per page. There would be approximately 700 pages. She called in people from McDermott and Cochran campaigns who were reviewing documents. Cochran's rep asked who we were and where we were from. He accused us of being w/ McDermott campaign. All said we could not review docs because we did not have "credentials." They said he could have looked at documents before the records were "locked." I asked if certification triggered lock, but did not get a clear answer. County Commissioners and candidates were reviewing documents last week and this week. We are "locked out" now. Said it would be easier to get from SEC.
